FROM THE DESK OF MR. MORSE

It's hard to believe, but this is our final "in the school year" newsletter! We have one more in June for the start of summer. May is always completely filled with all of the important things necessary to complete another successful school year at Redwood Christian School.

I'm excited to tell you that all of our critical staffing needs have been met for the 2023-2024 school year. God always knows our needs even before we ask and He has sent us several highly skilled, competent people who will be joining our team in the fall. We are also looking at enrichment programs including Spanish, direct instruction in technology use and safety, and increased art instruction.

We still have room for students next year, especially TK-K and 5th grade. If you hear from friends, co-workers, or others looking for an alternative educational setting for their children, please direct them to me at the school or our website. Our best advertisement is word-of-mouth from all of you!
