INTRODUCTION

This handbook is written to inform you of the operational policies and procedures of Redwood Christian School. We encourage you to read it thoroughly and discuss it with your children. If questions still exist, feel free to call the school office. We welcome your inquiries about our school.

Redwood Christian School is a non-denominational school serving the academic needs of families in our area. RCS provides a truly Christ-centered education, and is administered and implemented by those called to this ministry.

As such, RCS is an extension of the in-home training of children. The school staff works closely with parents to teach and train the whole child. Our team effort produces successful students who are able to be witnesses for Christ.

Redwood Christian School is a ministry of the First Church of the Nazarene and is governed by an appointed board. The school board is always open to suggestions from the parents. Anyone wishing to address the board is asked to contact the school administrator so that the matter may be placed on the next meeting agenda.

Redwood Christian School is a member of the Association of Christian Schools International. ACSI is an organization which serves Christian schools across the United States and around the world. ACSI also provides professional training for our staff through continuing education seminars.

We trust that you will find this handbook to be helpful and informative. Thank you for your interest in Redwood Christian School.

Sincerely,

Daniel Gent
Principal

PURPOSE

To create a Christ-filled educational environment.

To work together with students and their families to succeed in the educational process.

To recognize the uniqueness of each student and to nurture each special God-given talent and ability.

To equip children to become disciples of Jesus through the process of teaching, training, and character building.

To provide a setting where:

Christian values are demonstrated, appreciated, and encouraged.

Students are given the opportunity for self-direction, value judgments, and decision-making.

Failures and mistakes are seen as areas for growth rather than as stigmatizing events.

Each student develops intellectually, spiritually, morally, physically and socially to the highest degree possible.

REDWOOD CHRISTIAN SCHOOL
STATEMENT OF BELIEFS

WE BELIEVE...

...the Bible to be the inspired, the only infallible, authoritative, inerrant Word of God.
(2 Timothy 3:16, 2 Peter 1:21)

...there is one God, eternally existent in three persons - Father, Son, and Holy Spirit.
(Genesis 1:1. Matthew 28:19, John 10:30)

...in the deity of Christ (John 10:33), His virgin birth (Isaiah 7:14, Matthew 1:23, Luke 1:35), His sinless life (Hebrews 4:15, Hebrews 7:26), His miracles (John 2:11), His vicarious and atoning death (1 Corinthians 15:3, Ephesians 1:7, Hebrews 2:9), His resurrection (John 11:25, 1 Corinthians 15:4), His ascension to the right hand of God (Mark 16:19), His personal return in power and glory. (Acts 1:11, Revelation 19:11)

...in the absolute necessity of regeneration by the Holy Spirit for salvation because of the exceeding sinfulness of human nature; and that we are justified on the single ground of faith in the shed blood of Christ and that only by God's grace and through faith alone we are saved. (John 3:16-19, John 5:24, Romans 3:23, Romans 5:8-9, Ephesians 2:8-10, Titus 3:5)

...in the resurrection of both the saved and the lost - the saved to the resurrection of life, and the lost to the resurrection of condemnation. (John 5:28-29)

...in the spiritual unity of believers in our Lord Jesus Christ. (Romans 8:9, 1 Corinthians 12:12-13, Galatians 3:26-28)

...in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life. (Romans 8:13-14, 1 Corinthians 3:16, 1 Corinthians 6:19-20, Ephesians 4:30, Ephesians 5:18)

Respect – To feel high regard for; to honor.

Ephesians 4:32 – “Be kind and compassionate to one another...”

Hebrews 13:17 – “Obey your leaders and submit to their authority.”

DISCIPLINE POLICIES

Students want and need to know the boundaries of acceptable behavior. It brings a sense of security. With this in mind, discipline shall be based on an understanding of the individual needs and development of each student, and shall be directed toward teaching Christ-like behavior.

Teachers will seek to re-channel problem behavior and teach each child to respect the rights and property of others, and to respect authority. Individual teachers, with the support and assistance of the principal, and parents when necessary, will handle misconduct. See “Redwood Christian School Disciplinary Communication” on the back of the “Enrollment Contract” for more information.

It is important to understand that attendance at Redwood Christian School is a privilege and not a right; that right may be forfeited by any student or family who does not conform to the standards and regulations of the institution. Redwood Christian School may at any time request the withdrawal of a student who, in the opinion of Redwood Christian School, is not in harmony with the spirit of the institution, regardless of whether or not her conforms to the specific rules and regulations of Redwood Christian School.

Proverbs 15:32 – “He who ignores discipline despises himself, but whoever heeds correction gains understanding.”

GRIEVANCE PROCEDURE/POLICY

Redwood Christian School is composed of many people and from time-to-time grievances may occur. Practically stated, when a grievance occurs, both parties should meet prayerfully, humbly, honestly and seek the Lord's guidance. If handled in this manner, almost all problems will be solved on a one-on-one level. This is an application of Matthew 18 and James 3.

Definition: A grievance is an unresolved problem. More specifically it would be a formal objection or complaint made on the basis of something believed to be wrong, unfair, misleading, or of poor quality.

1. The grievance should first be communicated personally and privately by the aggrieved person to the staff person or volunteer who is believed to be responsible.
 - a. A problem in, or related to, a class should be taken to the associated head teacher.
 - b. A problem in, or related to, a sports program should be taken to the acting coach.
 - c. A problem with the general management or structure of the school may be taken to the principal directly.
2. Seek clarification from the principal if you are unsure of the person to whom you should address your concern or complaint.
3. If the situation is not resolved, the aggrieved person should bring the grievance to the principal of the school.
4. If these first two steps are not successful in resolving the grievance, a written appeal may be made to the president of the school board for a hearing before a board committee.

We respectfully request that parents not talk to anyone about a situation until they have first talked to the staff member involved. We believe that this better allows for the Redwood Christian School to advocate for our students.

The school board may be addressed only with the permission of the school board president, after having spoken with the principal.

HEALTH GUIDELINES

Illness at School

A sick child cannot remain at school. Parents are expected to make immediate arrangements to pick up their child when the need arises. Under no circumstances should parents send children to school when they have a fever, contagious virus, bacterial infection or have not sufficiently recovered from an illness.

A child **MUST** be kept home from school if s/he:

- Had a fever and/or has been vomiting in the last 24 hours.
- Shows any symptoms of a communicable virus or bacterial infection such as a cold, flu, pink eye, measles, chicken pox, mumps, etc.
- Has a rash that has not been identified.

Medication

All medications must be clearly labeled with the student's name and must be accompanied by written instructions from the parents or physician. Only staff members will administer medications at school. All medications sent from home, including cough drops, must be kept in the office. Parental permission is required before any medication is administered, whether prescription or over-the-counter, unless there is signed permission on the Medical Release form for pain aid to be administered.

Doctors Excuse

Occasionally a student cannot participate in recess, gym, or strenuous physical activity. When this is the case, please send a note to the student's teacher. Any long-term requests must have a doctor's written suggestion for an activity the child can perform.

STUDENT POLICIES

ATTENDANCE

In order to obtain the best possible education, it is important that students attend class on a daily basis and arrive on time. Regular classroom participation is necessary to achieve the best possible learning situation for every student. This policy statement has been developed to encourage good attendance and to discourage tardiness. Our goal is to maximize every student's opportunity to learn. Attendance is the responsibility of parents and students.

Absence: An absence is defined as being absent from the classroom for more than one hour of a school day. Absences may be either excused or unexcused.

Tardiness: Tardiness to class is defined as not being physically in the room at 8:25 am. Three tardies is equal to 1 unexcused absence.

Excused Absences:

- **Illness:** A doctor's/parent note of reason for absence is required.
- **Professional Appointment:** Whenever possible, professional appointments should be made after school hours. A parent's note of reason for absence is required.
- **Personal or family emergency:** A parent note is required.
- **Homebound Instruction:** The student will be responsible for making up all work assigned during the period of absence.
- **Miscellaneous:** It is possible that occasions may arise other than those listed in this section, necessitating that a student miss school. The administration shall make the sole determination if such an absence is excused or unexcused.

Any absence that does not meet the criteria of an excused absence will be considered unexcused. The school administration will determine if an absence is excused or unexcused. All absences without advanced warning will be considered unexcused. Please call the school office before 8:20 am and provide the student's name and grade level. Your call will be recorded on the answering machine (24 hours a day) or handled directly by office personnel.

Excessive Absences:

After three unexcused absences, the parents of the student will be contacted. Six unexcused absences per trimester is considered to be excessive.

- If a student is absent six times in a trimester, the student will be considered on attendance probation for the remainder of the trimester, and the student will serve a one day at home suspension.
- If a student is absent three times while on attendance probation a conference will be held with the family, and the student will serve a one-week suspension.
- If a student is placed on attendance probation for two consecutive semesters a further conference will be held to determine whether the student is able to continue enrollment or if the family should consider an alternative means of educating their student.

Bibles: The New International Version (NIV) is used for classroom Bible study and memorization. Students may purchase Bibles in the school office for \$10.00.

Telephone Use: Student use of the school phone should be minimal. It is available for necessary student calls (this does not include arranging after school plans). Students must wait at the counter and receive permission to use the phone from the office staff.

Cell Phone Use: Cell phone use is not allowed during school hours. Cell phones must be turned off and stowed in backpacks during school hours. Students not following this rule will have their phone confiscated and kept in the office for their parent to pick up.

Invitations: Students may pass out party invitations at school only if every child in the class receives an invitation. If all students in the class are not invited, we ask that you please mail the invitations.

Off-limit Items: All non-school personal items are not allowed at school unless a teacher or the principal gives special permission.

Visitors

All parents and visitors must register in the office before entering a classroom. This includes all classroom volunteers. Chapel

Chapel services are held on Wednesday mornings from 8:35-9:30am. Various speakers share a message with the students. Parents are always welcome to join us for the service. School begins every morning (except Wednesday) with Chapelette. Students gather together for pledges, prayer and worship from 8:30-8:45am.

Volunteer and Service Hours

Every parent with children enrolled at Redwood Christian School has numerous opportunities to contribute time, resources and finances to meet the needs within the school program. In fact, without parent involvement, some programs would have to be cut back and/or tuition would increase. Each family is required to volunteer 30 hours during the school year. Opportunities for service to the school include helping with fundraisers, baking items, driving for field trips, classroom assistance, recess supervision, or financing a student scholarship. Unfulfilled service hours will be billed on the June statement at \$20.00 per hour.

Parent-Staff Communication

The primary method of parent-staff communication is through the classroom Dojo app. Email is used as a secondary method.

Sports Program

RCS teams may compete with local elementary, or city league teams throughout the year. Sports that may be offered are: girls' volleyball, cross-country, girls' basketball, boys' basketball, or co-ed basketball. To participate in sports (or any other extracurricular activity) a student must be current in all homework assignments, maintain a "C" grade in all subjects, and exhibit positive behavior for that academic year.

Lunches

Students should bring their lunches in sacks or lunch boxes clearly marked with their name. Candy, gum, soft drinks and foods with excessive sugar content are not allowed at school.

Withdrawal From School

To withdraw a student from school, the office should be notified immediately and all books and other school property must be returned. Records will be released when the school bill is paid in full.

DRESS CODE

Uniform Dress Code

The dress code policy is written to encourage modesty, school spirit, reducing distractions, and school unity. As a school, Redwood Christian School desires to portray a Christ-like attitude in our dress, which is what man sees, for “man looks at the outward appearance, but the Lord looks at the heart.” 1 Samuel 16:7

The cooperation of the student and the parent is necessary in maintaining the standards of the uniform dress code. Adherence to the dress code is a family responsibility. Parents shall assume this important responsibility and thereby leave the school free to focus on its primary goals of building godly character and academic competence.

RCS has a preferred school account with Lands’ End with all of the accepted uniform components listed. All plaid items for the girls, and all school spirit wear will need to be purchased from Land’s End. Other items may be purchased from wherever you choose. However, RCS does benefit from items purchased through Lands’ End. We believe that our families will benefit from and appreciate the high quality of the uniforms available.
